

RIVERPORT YOUTH SWISS TOURNAMENT

Tournament Rules

1. This is a C.T.F. sanctioned scratch tournament open to all C.T.F. youth members registered in a youth program. All C.T.F. rules apply.
2. Use highest sanctioned average as of November 10, 2024, minimum 15 games. Each team shall consist of three (3) bowlers with a total maximum entering average not to exceed 465.
3. This tournament is a team event, Swiss style format. Each bowler in the team line up bowls against the bowler who appears in the same position on the opposing team's line up (I.E. bowler 1 on team A vs. bowler 1 on team B) with the winner receiving one (1) point for their team (one half point to each in case of a tie). The team with the highest pinfall for that game will receive two (2) points (one (1) point each in case of a tie for total pinfall). The maximum points any team can receive for one game is five (5). If there is an odd number of teams, when playing against the vacant team, bowlers need to beat their entering average to win the individual point, and the team must beat their team average to win the team points.
4. Entering average will determine the opening match for each team. All subsequent matches will be by position round. When points are tied, pinfall will determine position standing.
5. Team line-up order cannot be changed once the tournament begins.
6. Unsportsmanlike conduct, i.e. kicking ball returns, use of foul language etc. will result in immediate disqualification. Cell phones or cameras cannot be used by any bowler during this event.
7. Tardy bowlers will receive zero (0) for all frames missed.
8. Any rules not covered in the above will be resolved by the tournament manager in accordance with C.T.F. rules.
9. Entry Fee \$50. per bowler (Lineage \$20, Prize money \$30). Prizes will be awarded based on 1 in 4 entries (or major portion). E.g. if 8 to 10 teams enter, first and second place prizes awarded, if 11 to 14 teams enter, first, second and third place prizes awarded.
